

When the declaration(s) on honour, Group member/subcontractor declarations and/or the tender report are signed by hand, a scanned copy must be attached to the tender in e-Submission. The hand-signed originals must be sent by letter at the latest on the first working day following the electronic submission of tender to EIB's postal/e-mail address indicated in **point 4.4**. Only the originals of the declaration on honour, the tender report and (if applicable) the Group member/subcontractor declarations are to be sent by letter, no other documents.

After submitting a tender, but before the deadline for receipt of tenders, a Tenderer may definitively withdraw its tender, or withdraw it and replace it with a new one⁴. In these cases the Tenderer must send a withdrawal/replacement notification, clearly specifying the call for tender reference and the e-Submission ID of the tender⁵ being withdrawn/replaced. The notification must be dated, signed by the Tenderer or the Group leader in case of a joint tender and sent as follows:

- if signed using an advanced electronic signature based on a qualified certificate: by e-mail sent before the deadline for receipt of tenders to the EIB's e-mail address indicated in **point 3.1** above;
- if signed by hand: by letter, with an advanced scanned copy by e-mail, both sent before the deadline for receipt of tenders to the EIB's postal/e-mail address indicated in **points 3.1** and **3.3**.

All costs incurred for the preparation and submission of tenders are to be borne by the Tenderers and will not be reimbursed.

⁴ To submit a new version, the tenderer must create a new tender in e-Submission and include all the information and documents required in the procurement documents with the submission of a tender, even if some of them have already been included in the replaced tender. Should there be more than one tender from one and the same tenderer in e-Submission, the EIB will take only the most recently submitted tender into consideration for evaluation. All previous submissions will be disregarded.

⁵ The e-Submission ID of the tender can be found on the left-hand side of the screen of the tender in e-Submission as well as in the tender reception confirmation.
